

## **ARIES Workforce Alert**

### **Release 2/3/2023**

There have been updates made to Service Provisioning in the ARIES system for some programs. The updates are noted below:

1. On-the-Job Training (non-WIOA Youth) and Apprenticeship On-the-Job Training services no longer require approval in CFIS before the service can be “rendered”. These services can now be documented in the following ways:
  - a. Entered on the IOP with the ability to “render” immediately
  - b. Entered directly on the “Customer Service” tab
2. A new service has been created to document non-ITA funded Occupational Skills Training services for the WIOA Adult and WIOA Dislocated Workers programs as well as designated Special Grants. The service is titled “Non-ITA Occupational Skills Training”. These services can now be documented in the following ways:
  - a. Entered on the IOP with the ability to “render” immediately
  - b. Entered directly on the “Customer Services” tab
3. A new service has been created to document non-ITA funded Occupational Skills Training services for CCMEP WIOA Youth and CCMEP TANF Youth. The service is titled “Non-ITA Occupational Skills Training (Youth Service)”. These services can now be documented in the following ways:
  - a. Entered on the IOP with the ability to “render” immediately
  - b. Entered directly on the “Customer Services” tab

Thank you for your continued support.

Sincerely,  
The ARIES Team
